

Lesson 3 Quiz 34 Question 3 Small Multiples

Please help me, what am I doing wrong? I have tried everything to get the first two answers.

QUESTION 3 OF 3

Quiz 3

Match each state to the appropriate description.

New York

California

Washington

Illinois

North Dakota

Wyoming

DESCRIPTION

STATE

This state only had sales of Furniture, not Office Supplies or Technology.

This state only had sales of Office Supplies, not Furniture or Technology.

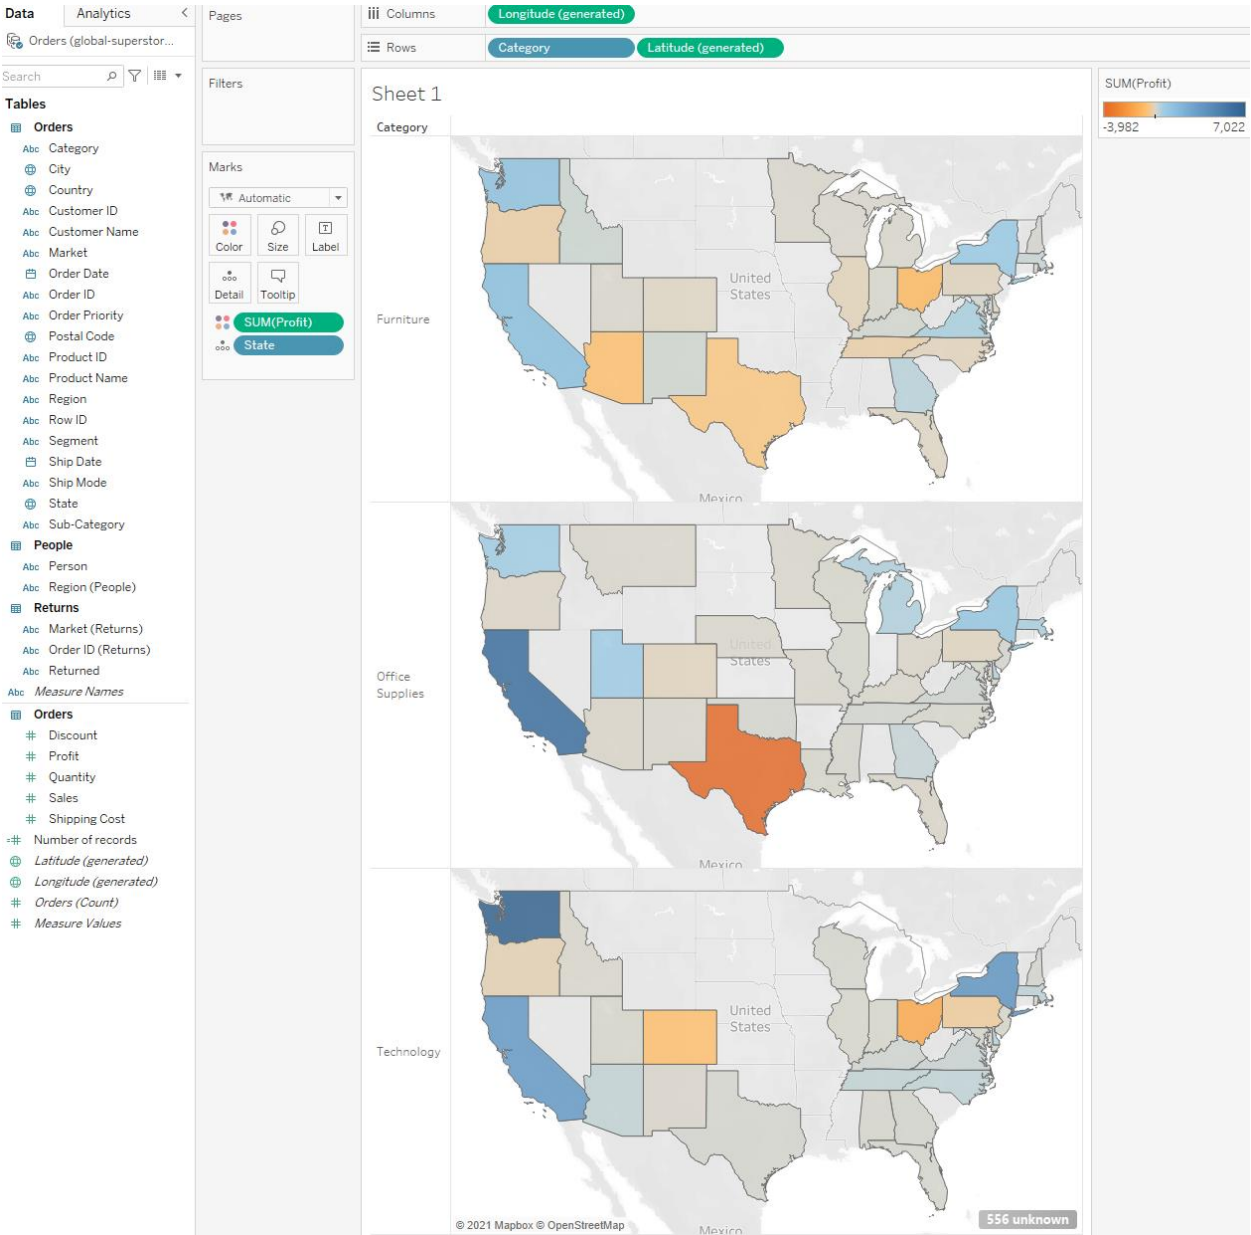

This state had the largest total losses on Office Supplies

This state had the largest total losses on Technology.

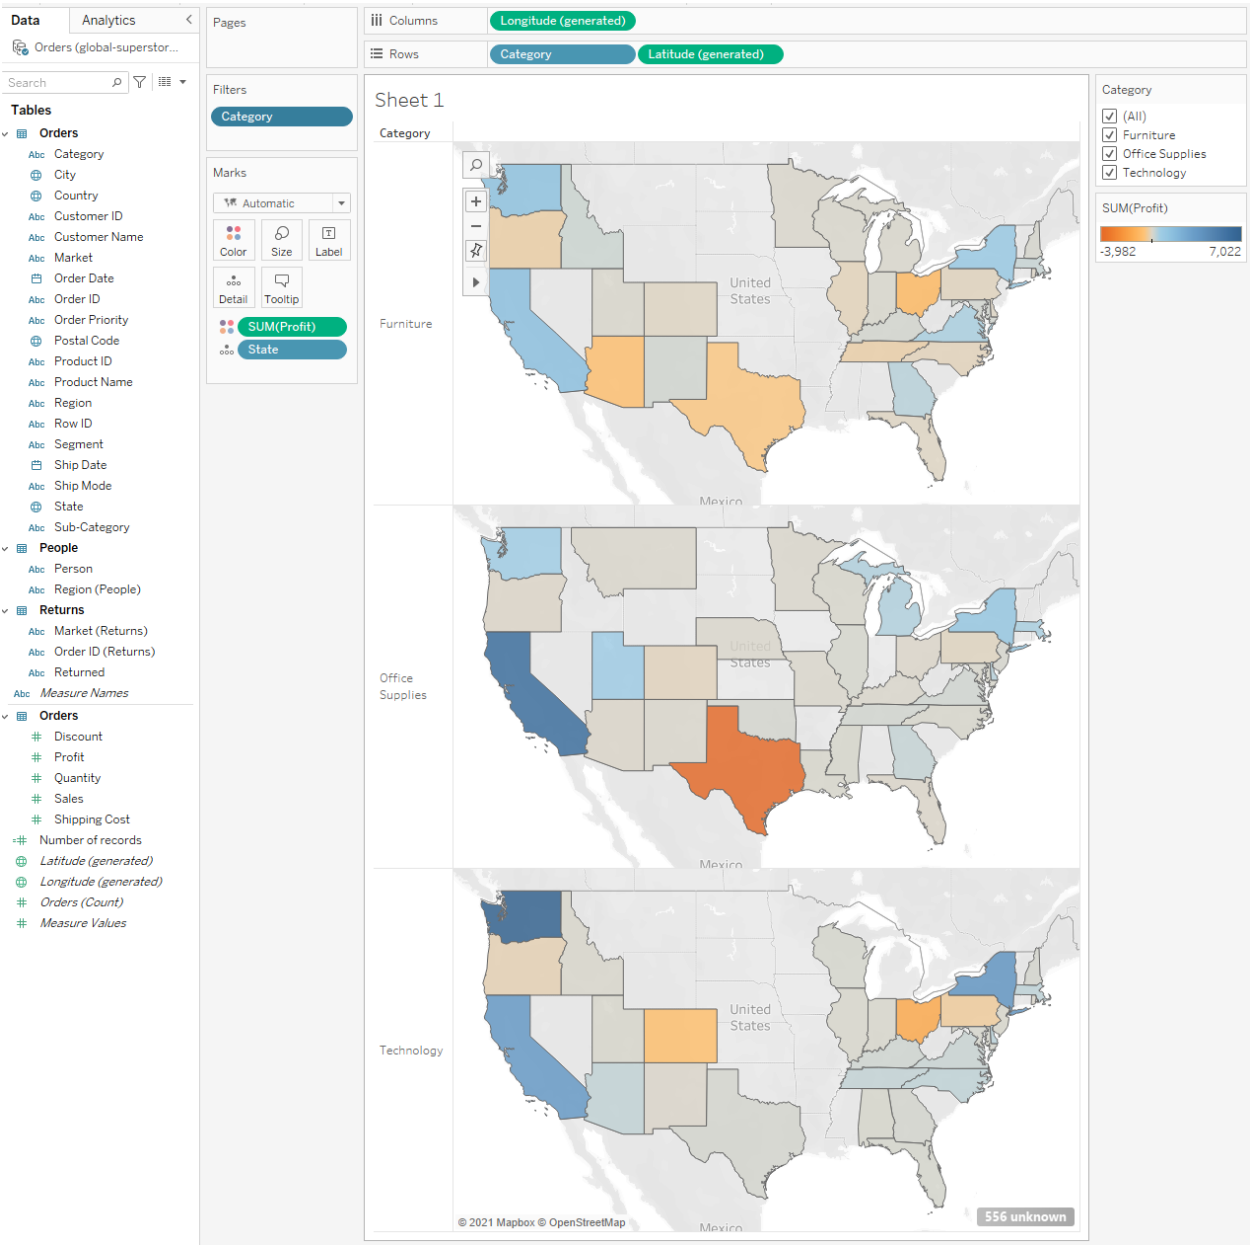

Texas

Ohio

First, I tried and got this:

Then I tried to add category as a filter

Then after re-reading the question I selected Sales and profit

And filtered on category and state.
